Year's Suffering. Extract of Letter from Mr. Wm. Galpin. of 70 St. Mary's Street, Weymouth, dated May 15th, 1851.

Sir-At the age of 18, my wife (who is now 61) caught a render those comfortable who may favor him time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of restand sleep. Every renedy that medical men advised, was tried, but without effeet-her health suffered severely, and the state of her legs was terrible. I had often read your advertisments and advised her to try your Pills and Ointment; and as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, she is now in good health. Her legs are painters, without seem or sear, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last forty-three years, and contrast them with her present enjoyment of health, you would in-deed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow-creature.

therefore gave them a trial in her case; and fortunate it

> 8 8 8 8 8 8 8 8 RHEUMATISM CAN BE CURED. We now offer for sale that Celebrated Remedy, MORTIMER'S

6m & 3t

Rheumatic Compound Blood Purifier,

Which has gained such great Popularity wherever introduced, as the only specific known for the effectual cure of this painful disease. This remedy has already cured thousands of cases comprising every seeming form of this complaint, from the inflammatory (acute) form, attended with swellings and calargement of the joints, toold chronic cases of from ten to twenty and thirty years' standing Those who had for years resorted to the various celebrated springs had tried all the liniments and external applica-tions, and been under treatment of some of the abilist physicians both in this country and Europe, and were pronounced incurable; still, after all these efforts had ailed, this compound has cored them. Many who have been cripples, either hobbling upon crutches or confined to their beds for years, certify to a complete and perman-

ent cure by the use of this remedy.

We have not space, in a newspaper advertisement, to insert but a small portion of the accumulated evidence in its behalf. This evidence comes from sources which must inspire confidence in every mind. The conductors of high-toned public journals have published to the world its wonderful and beneficial effects upon themselves and those around them, and in some instances speak of hundreds of cures. Physicians have resorted to it, and certify that, even in extreme cases, where consultations had been held, and they had decided that there were no hopes of recovery, even then, they procured this medicine and administered it, and it effected a complete cure. Ministers of various denominations have written and published what it has done for themselves and their friends; while merchants, officers, mechanics, and private citizens, have furnished volumes of evidence of the highest character, such as accompanies no other preparation in America. We most respectfully ask those who are afflicted to send

to the agent in their vicinity and get a circular, and read the letters and certificates of Rey. Jas Mitchel. Rev N. C. Berryman, J. H. Linn, Rev J. M. Kelly, Rev R. A. Cotburn and other clergymen; while we add the names of Hon J. Smith, late President of the Bank of the State of Missouri; Geo. O. Atherton, officer in the Bank in St. Louis; Messrs Jas. H. Eddy, S. Downing, A. Holland, C. W. Stone, J. W. Christy. Joseph Southack, with other prominent merchants of St. Louis, as also vast numbers of other citizens.

This is home evidence, and these are living witnesses. where this great remedy was first introduced and where many thousands have been cured during the last two given. years. The proprietors have now opened their Great Gentral Office at No. 1 Barclay street, (Astor House), in the city of New-York, where all orders for this medicine will be promptly attended to.
